## MIRACLE CITY COLLECTIVE

### About the Family

My wife and I are life long residents of Titusville, Fla. Fun story: We met in seventh grade business class. Other students were learning how to type while I was giving my best attempt at impressing my one day wife. Despite my efforts, we would remain friends until well after graduation. I whole-heartedly believe the Lord was protecting our future marriage and the family that it would produce. Now, Chrystal and I have celebrated 10 years of marriage and are the proudest parents of three children ages 9, 6 and 3.

God has not only kept us in Titusville, Fla., but has planted a deep love for the city we call home. We have fixed our eyes on the Father, who loves His children dearly, believing that He will bring the vision of His church to fruition here on the Space Coast and in Titusville, aka MIRACLE CITY.

### About My Church Plant

Miracle City Collective is a presence-driven church centered on discipleship seeking to be an embodiment of Christ that is ushering in the kingdom of heaven by practicing the way of Jesus in Titusville. We want to help people learn how to experience God throughout their everyday lives by teaching what it means to be a true disciple. We believe that the fullness of life that Jesus offers us is something that we can truly experience in the here and now.

We believe that the fullness of life is found in the kingdom of heaven, where Jesus is Lord, and that the kingdom of heaven is realized by becoming a true disciple of Jesus and putting His Way into practice. The invitation from Jesus is life and life to the full. But if we're going to experience the life He offers, we'll need to adopt the lifestyle that He lived. Let heaven come.
