RADIANT CHURCH

About the Family

I have a heart for teaching and preaching God's Word, pastoring and seeing healthy churches raised up.

About My Church Plant

Radiant Church seeks to be a church where Jesus Christ is glorified, the gospel is clearly taught and lives are transformed.

PRAY.

When God's people pray, God moves!
We are asking for your continual prayer for:

- Open hearts for the gospel
- Lives transformed by Jesus
- Local leaders to be trained and sent out
- ☐ • A Christ-exalting and healthy church planted in our city, and we would love to be a part of seeing more churches planted. ☐
- A place where we can meet for worship and group meetings.
- Community service opportunities where we can be a blessing and connect with people at a heart level
- ☐ • The Lord to connect us to people of peace

PARTICIPATE
