Pray for our family as we work together in ministry.
Pray our children will love Jesus and love the mission.
Pray that lives would be changed and many would come to know Jesus.
Pray the church will be established and will faithfully work to plant in other communities.

About the Family

Amanda, our children—Zeke, Leo and Zoe—and I are answering God's call to serve in Puerto Rico. I am a graduate of Tennessee Temple University and am currently pursuing an M.A. in Church Planting at NOBTS. Amanda graduated from Ethos 360 Bible Institute and has completed two years of missionary training. We bring experience and zeal the Lord to use.

We are passionate about making disciples, strengthening families and helping to establish a gospel-centered church that brings hope to the communities of Puerto Rico. During our two-year ministry leadership residency, at Gospel Hope Church in Georgia, I served faithfully as the Missions and Development Director. After many months of prayer and seeking the Lord's direction, we have embraced God's leading to join the launch of Table Church in Puerto Rico, where I will serve as executive pastor.

About My Church Plant

As we have prayed and conversed with local pastors, they have emphasized over and over again the need for a gospel-centered, English-speaking church. Many cities and entire regions do not have a church for English-speaking Christians to attend. We believe that a church for English speakers, made up of Puerto Ricans and Americans alike, will not only meet a huge need but will serve to advance the gospel in profound ways in the Northwest Region of Puerto Rico. Cities like Aguadilla, Isabella and Quebradillas are all within driving distance of each other and are ripe for a harvest of people into the kingdom of God.
