REALITY CHURCH MIAMI

## About the Family

I grew up in the Bay Area of California, but I have spent the last 18 years in Pittsburgh, Pennsylvania, where I met my wife, Britney (“Brit”). We have three children—Luca, Eliya, and one on the way!

We have served together in ministry for the past 15 years. Over the past six years, during which I have served as a campus pastor, we have sensed God’s call to plant a church. In faith, we are stepping out to follow God’s leading and direction as we prepare to plant in the great city of Miami.

## About My Church Plant

We are stepping into a two-year church planting residency with Reality Church Miami as we prepare to plant a new church in the great city of Miami. God’s desire is for people to know Him, follow Him, and receive eternal life through the good news of Jesus Christ. Through the local church, God equips His people for the work of ministry and discipleship. While the need is great everywhere, the Lord has specifically called our family to Miami.

Like Paul in Corinth (Acts 18:10), we go with confidence, trusting that God is already at work. By His grace, we hope to plant a gospel-centered church that makes disciples who make disciples, seeks the flourishing of the city, and loves our neighbors as ourselves.
