CENTER CHURCH

About the Family

I live in Charlottesville, Va., with my parents and sister. I've been involved in the church for much of my life, and I've been attending Center Church for three years. Anyone who knows me knows I love dogs, and I enjoy playing guitar; but most of all, I love my friends and family. I'm so thankful for the people God has put in my life!

About My Church Plant

Center Church is a 5-year-old church plant in Charlottesville dedicated to seeing lives changed by the gospel. On average, we see about 500 people in attendance each Sunday, and we have been growing quickly and steadily by the grace of God.

I am working as an event planning and project management resident at Center Church. My goal is to help members of our church connect with each other and with our city through community-building activities where we can serve, worship and fellowship together.
