## TRUE NORTH CHURCH

### About the Family

I aspire to and have a strong sense that God is calling me to plant a church in Temecula, Calif. Will you join me in planting the gospel in this city with your prayers, participation and provision? Your help will be deeply coveted.

I am married to my beloved wife, Jenny, and we have four kids. We are foster parents and aim to engage the city and make disciple makers by caring for the lost, the unchurched, the foster care community, military personnel and first responders.

I have a Bachelor of Science degree in religion from Liberty University and a Master of Divinity from Westminster Seminary California. I hope to one day pursue a Doctor of Ministry degree at Metro Atlanta Seminary, when the timing is right and provision is met. I served in the US Navy assisting military chaplains and currently serve as a reserve chaplain in the USAF.

### About My Church Plant

I believe God has prepared me through my life, education and experience to plant True North Church of Temecula. Our vision is to connect those who serve to trust and follow Jesus in community on mission. Because of the foundation of grace laid out by Jesus' death, burial, resurrection and His ascension, our mission is to connect people to God and to one another.

#### PRAY.

Pray that the Lord continues to watch over and strengthen my family each step in this journey. We ask the Lord to provide for all the needs of this church plant. I pray that God gives me the patience, wisdom and discernment to lead this new community of faith to trust and follow Jesus. I ask the Lord to prepare the hearts of those whom He calls to join me in planting His church to root the city in the gospel. Pray the Spirit will guide me as I raise up elders, deacons and disciples to build His kingdom. Pray the Lord helps me befriend the citizens of the city and churches in the area. I pray that I commit to the message of the gospel through this ministry and my family.

#### PARTICIPATE

I invite you to help me plant this church by prayerfully considering how you might fit in this church planting journey. If you are in the area and feel the call to serve this city, consider joining the core team. Help us engage the city as I partner with Careportal to help families be restored in their welfare and spiritual health. Any bit of support will add up to transforming the community to trust and follow Jesus.

#### PROVIDE

Learn the ministry strategy and context, so you can provide relevant resources. Support a missionary financially.
