PRAY.

Pray for the safety of all healthcare workers, first responders and their family members.

Pray for open hearts and minds among patients, family members and staff.

Pray for boldness to share the gospel and open hearts among the people to whom I minister.

Pray for people to come to saving faith in Jesus.

Pray for more to become missionaries and chaplains.

PARTICIPATE

Commit to long-term prayer support. Explore the opportunities to extend the reach of your church by becoming a chaplain. Be involved in supporting chaplains and their families. Send notes of encouragement. Talk with a chaplain about his or her ministry context. Send resources that support a chaplain's ministry context. Pray for chaplains and their families.

PROVIDE

Many missionaries build a team to join their ministry in prayer, participation, and provision. These friends, family and churches support missionaries beyond the tithes and offerings given within the church plant. Visit sendnetwork.com/PlanterFunding for NAMB's policy on providing for church plants.
