PRAY.

Please pray that the Lord will lead us to persons of peace among the ethnic people groups in Upstate South Carolina.

Pray that we will find like-minded ministry partners we could work alongside to reach our target groups. Pray that those who have been trained in evangelism and discipleship will use those skills and train others to do the same.

PARTICIPATE

Volunteer to come to Spartanburg/Greenville to prayerwalk and share your faith among ethnic people groups.

Partner with the Ludwicks with your prayers.

Partner with the Ludwicks in financial support.

PROVIDE

Many missionaries build a team to join their ministry in prayer, participation, and provision. These friends, family and churches support missionaries beyond the tithes and offerings given within the church plant. Visit sendnetwork.com/PlanterFunding for NAMB's policy on providing for church plants.

About the Family

My wife, Susan, and I have been missionaries for more than 23 years. We have served in Spain, Trinidad and South Africa. We worked doing evangelism, discipleship, church planting and church development among Hindus and Muslims. I also served as a pastor in South Carolina for 11 years.

We have four grown children and seven grandchildren.

About My Ministry

In our ministry, we are seeking to engage ethnic people in order to share the gospel and to help find persons of peace with the aim of starting multiplying home groups.

After spending two years in San Diego, Calif., we have recently returned to our home state of South Carolina. We are living in the Upstate, and our desire is to engage and reach ethnic peoples with an emphasis on the Hindu and Muslim populations. We hope to also be involved in training churches and individuals in evangelism and discipleship and teaching them to start their own multiplying small groups, which may become house churches or filter into partnering churches. In addition, we are training several ethnic pastors and assisting in an East Asian church plant in Spartanburg County.
