GRACE CITY CHURCH

About the Family

Hi, we're the Costellos! We both grew up in central Alabama. We met during our junior year at Auburn University in Montgomery (AUM). After several years of dating, we got married in February of 2018.

While in school at AUM, we were involved in the Baptist Collegiate Ministry where God began to cultivate our hearts for missions. During college, we both had the privilege of spending summers in New York City. During these summers, along with many other short-term trips, God placed New York City on our hearts and has burdened us with the need to reach this city with the love of Christ.

If you have any questions or would like to contact us, please email me at nyccostellos@gmail.com.

About My Church Plant

We will be primarily working with the North American Mission Board (NAMB) as church planting team members at Grace City Church in the Upper West Side. We will have the opportunity to fill many roles within the church plant, including discipleship, small groups, community outreach and kids/youth ministry.

Wes will also be helping the Metro New York Baptist Association (MNYBA) with various projects and ministries.

PRAY.

In Colossians 4, Paul writes "Pray also for us, that God may open to us a door for the Word, to declare the mystery of Christ." We ask the same thing of you! Pray for us, for Grace City Church and for the Metro New York Baptist Association. Pray that doors will be opened to share the truth of the gospel with the people of New York!
