LIVING WATER CHRISTIAN CHURCH

## About the Family

My wife, Heather, and I have an incredible growing family. I have a 14-year-old son and a 5-year-old daughter. We were recently relocated from a big city to a tiny town. Incredibly, though, the transition has been quite easy.

We love having movie and game nights where we can all get pretty competitive with each other.

## About My Church Plant

We relocated to a small farming village. Like the rest of the world, times have made everyone very busy and very focused on misaligned priorities. However, this town has shown an incredible response to the real alignment of their priorities for the power of the gospel of Jesus, Jesus Christ.

My ministry focuses on spreading the gospel, training disciples, cultivating a strong church family, and sending out ambassadors for the kingdom to do it all again.
