CULTIVATE CHURCH

About the Family

I'm Will. My wife, Jenny, and I have been married for 32 years. We have four adult sons, two bonus daughters, and two grandsons. We were born and raised in Indiana.

We have been in full-time ministry for 26 years. We enjoy discipling others, partnering with other church planters, doing mission work, and working with Send Relief.

About My Church Plant

Cultivate Church exists to bring hope to the community in the northern Martinsville and Monrovia area by sharing the love of Jesus through relationships and the gospel. Our aim is to love the community in practice, help believers grow into mature followers of Jesus, and send them out to disciple others. Monrovia is a growing, rural community that's an easy commute to Indy. Many have migrated to Monrovia, creating a very culturally diverse community that's very much in need of the gospel.
