

Find out how you can

Pray.

Participate.

Provide.

PRAY.

Pray for God to continue to open doors for us to make real relationships with people in the community where many of us already live and work

PARTICIPATE

Follow along with us on social media. All the links are on our website. Listen every week to hear people share stories of how Jesus changed their lives!

PROVIDE

Learn the ministry strategy and context, so you can provide relevant resources. Support a missionary financially.

FIRESIDE CHURCH

About the Family

We are so excited to be part of what God is doing in the lives of those around us! My wife, Victoria, and I love going to the gym together. We also enjoy going on walks with our daughter, Cora, and our dog, Finn. I am honored to serve as a pastor here at Fireside Church.

About My Church Plant

Fireside Church is a Church in Glenville, N.Y., one of the least churched areas in America. We believe God can change that. We exist to make disciples of Jesus by helping people to love God, love people and serve others.

Loneliness is one of the greatest epidemics facing our country today, and we believe Jesus is the cure. Doing life together in warm, real and authentic ways is the best way to introduce people to Jesus and that's at the heart of everything we do.
