ONE LIFE CHURCH

About the Family

Rebecca and I have joyfully answered God's call to plant One Life Church in Sarasota, Fla. Along with our youngest daughter, Ava (Emily and Lily are attending college), we bring more than 25 years of ministry experience and a deep love for helping people grow in faith and purpose.

We planted and pastored 180 Life Church (West Hartford, Conn.) for 18 years. We were formerly on staff at Calvary Chapel Ft. Lauderdale and at Calvary Fellowship in Miramar, Fla. I have a background in business operations and leadership. We are actively building a local launch team to turn vision into reality.

About My Church Plant

One Life Church will bridge generations by equipping older believers to share their wisdom, stories and experiences with younger generations seeking to grow in faith and life. Through this intentional mentoring culture, we will see people of all ages making the most of their one life—for the glory of Christ and the good of others.

We are already meeting each week for prayer and encouragement. God is faithfully providing us with new team members and resources as we prepare for our March 1, 2026, launch.
