BETTERLIFE CHURCH OF MOREHEAD

About the Family

I attended Morehead State University for several years and experienced firsthand the impact college ministries can have on students. I am excited and honored to be continuing my walk of faith by serving God's kingdom on the college campus.

I'm also in the process of writing a faith-based book series.

About My Ministry

I'll be serving at the Baptist Collegiate Ministry (BCM) at Morehead State University, where we strive to expose students to the gospel of Jesus Christ and His Church, engage them in discipleship and empower them to live missional lives.

BCM changed my life, bringing me back into God's will even after I strayed. Because of the change the Lord did in me through college ministry, I have committed to serving Him there.
