IMMANUEL BANGLA COMMUNITY CHURCH

About the Family

My wife, Claudia, and I fled with our children from our native country of Bangladesh with nothing to come to America. We have experienced the faithfulness of God through our home church and God's provision here. God has continually provided for our needs and blessed us with opportunities to serve Him.

About My Church Plant

There is a large South Asian community in the Inland Empire area of Southern California. We are planting a Bengali speaking church in the city of Highland. We provide in-home Bible studies, English lessons and various other services to reach our community.
