FIRST BAPTIST CHURCH DURANT

About the Family

What's up everyone! My name is William, and I grew up in southeast Oklahoma in a small little town called Lane. My parents, Mark and Rebecca, are pecan farmers by trade as well as owning a small retail store that they have been running most of my life.

I have two older brothers. Matt is the eldest. He is married and is an auctioneer. Weston is my middle brother. He shoes horses and team-ropes full time.

I recently graduated from Southeastern Oklahoma State University (SOSU) and am now pursuing a Master of Divinity from Southwestern Baptist Theological Seminary. I don't think I have any real hobbies. If I had to name one, it would just have to be my enjoyment of coffee and the process of making it. I am sure there is more I could say, but there is a little about me and my family.

About My Ministry

God has called me to serve at SOSU's Baptist Collegiate Ministry. I am so thankful He called me to such a ministry. College campuses are such a strategic place to reach the future generations of our world with the gospel of our Lord Jesus Christ. Many students come to our campus from all different walks of life to challenge and expand their understanding of their future, the world and, ultimately, themselves. I hope they can meet the truth of their creator and see by the power of the Spirit that their hope is not in worldly things, but in Jesus Christ.

Practically, how I get to do this is through discipling young guys in our ministry, helping them learn how to study the Bible faithfully and share the gospel boldly, and as well as our ministry events and any other opportunity that might present itself.

PRAY.

Pray for boldness to share the gospel and open hearts among the people to whom I speak
Pray that through this ministry, more people would come to saving faith and live on mission.
Pray for stamina and longevity for ministry amidst attacks from the enemy.

PARTICIPATE

The biggest way you can participate is through prayer. I am a firm believer that praying is not just a part of the work we are doing, but it is the work. God hears the prayers of His people, and as you participate in praying for God to move on SOSU's campus I am convinced He is going to call a generation of people out of darkness into light.

PROVIDE
