

## Samuel Li

GRACE CHINESE FELLOWSHIP

### About the Family

I was born and raised in mainland China as an atheist and moved to the United States in 1996 to pursue my dream of being a successful businessman by getting my master's degree in business administration (MBA). But God gave me a different dream and saved my wife and me while I was at business school.

Twelve years later, He called me to preach the gospel and make disciples. We hesitated for a couple of years and then answered His calling to become equipped at Mid-America Baptist Theological Seminary and serve as a pastor in Arkansas. We then moved to California in 2017 to plant churches.

### About My Church Plant

We are exploring house church models by utilizing our home and hopefully the homes of others to reach lost neighbors and build a tight relationship among believers to practice loving God and loving one another.

We have had successes and learned quite a few lessons, but God is gracious and is building our faith by showing us His power and way.

Find out how you can  
**Pray.**  
**Participate.**  
**Provide.**

#### PRAY.

The Mandarin-speaking Chinese are the largest unreached people group in North America. Southern California is one of the main regions where first-generation Chinese live. Please pray for God to open doors for us to meet more lost people and give us the courage and wisdom to reach them. Please pray for God to bring more mature Christian couples to build His family together.

#### PARTICIPATE

Connect as a Sending Church or a Supporting Church with a missionary's work  
Commit to long-term missions support with your missionary partner.  
Be involved in supporting missionaries and their families.  
Pray for missionaries.

#### PROVIDE

Many missionaries build a team to join their ministry in prayer, participation, and provision. These friends, family and churches support missionaries beyond the tithes and offerings given within the church plant. Visit [sendnetwork.com/PlanterFunding](http://sendnetwork.com/PlanterFunding) for NAMB's policy on providing for church plants.
