HIGHLAND BAPTIST CHURCH

About the Family

Jerri Ann, my wife, and I live in Florence, Ala. We have four children, two of whom are still living at home while they attend college.

About My Ministry

We are reaching out to internationals in our area, especially international students at the University of North Alabama. On Friday nights, we eat together at our home and have a Bible study in simple English that is designed for people who are not familiar with the Bible. We also invite them to our church, where some American students are reaching out to them and including them in Bible studies and various activities.

PRAY.

For a hunger in the internationals here to know God.
For their eyes to be opened to see that they need the Lord.
For the Lord to speak through us the words that He wants them to hear.
For God to lead this ministry and use us to accomplish His purpose.
For the Lord to continue to bring American students to reach out with His heart to these international students.

PARTICIPATE

Pray for us and these internationals. If the Lord leads you, partner with us in ministry through financial support.

PROVIDE

Many missionaries build a team to join their ministry in prayer, participation, and provision. These friends, family and churches support missionaries beyond the tithes and offerings given within the church plant. Visit sendnetwork.com/PlanterFunding for NAMB's policy on providing for church plants.
