CHURCH ON MILL

About the Family

My wife, Rebecca, and I recently married settled down in Phoenix. We live just a few minutes away from Arizona State University's (ASU) campus and our church, Church on Mill. We really love our church and are deeply devoted to it. I am serving as a missionary for the North American Mission Board to reach the college students by going to ASU's campus to bring the good news of Jesus Christ.

Rebecca and I both experienced the life-changing power of the gospel as college students; we now have a passion for lost college students and desire for them to know God deeply.

About My Ministry

As the largest public university in the country, ASU has around 75,000 college students on its campus. The Lord has brought the mission field right to our doorstep. I am working with Christian Challenge, a college ministry affiliated with Church on Mill. Church on Mill has a rich history of reaching college students at ASU, and Christian Challenge works with this church to reach students on campus. We desire to see students come to Christ and to grow in the context of the local church.

We welcome your partnership in reaching the nations right here in Arizona. We have the unique opportunity of being a church family located across the street from ASU and desire to see college students connect with Christians from all walks of life.

PRAY.

As I try to bring the gospel to the students at ASU, please pray for receptive hearts among the students where I serve. Please pray my church will be open and available to reach the college students across the street. Please pray churches and individuals will partner with me and give of their time and talents to further God's kingdom. Please pray I will grow as a follower of Jesus and become a better husband to my wife. Most importantly to me, please pray that the many students with whom we interact with will put their faith, hope and life behind the claims of Jesus Christ and trust Him alone as Lord and Savior.

PARTICIPATE

You can participate by connecting as a financial ministry partner or a Supporting Church with our ministry and committing to long-term missions support of us. Most importantly, please pray for our students and our church.

PROVIDE
