OVERLAND CHURCH

About the Family

Jennifer and I have been married since 2008. We have two boys, John Owen (2009) and James (2012). We moved to Fort Collins, Colo., in 2017 to plant Overland Church in 2017 after serving at Buck Run Baptist Church in Frankfort, Ky., for 13 years.

As a family, we enjoy living on mission together to reach our community and neighborhood. We enjoy spending time in our community watching our boys play sports, taking advantage of the many adventurous activities available around us or serving our community in some way.

About My Church Plant

Overland Church launched in January of 2019 as a church focused on reaching the city of Fort Collins and the campus of Colorado State University. The vision and mission of Overland is to reach the community of Fort Collins and campus simultaneously to multiply churches into other areas in the Mountain West. By reaching the community of Fort Collins, Overland has also reached and begun serving the underserved populations, such as the Hispanic population in the city. Overland Church is a church with a heart and plan for multiplication and a desire to invest in and serve the community.
